

CHIEFS BOARD REPORT NOVEMBER 2017

INDIAN HILLS FIRE PRTECTION DISTRICT

November 15, 2017

1) I spoke with Brian Nichols from ISO and he said he would start reviewing our paperwork submitted within the next couple of weeks.

2) Mountain Chiefs will be meeting Tuesday November 21st to hopefully finalize JCMARS agreement.

3) Mount Lindo tower stabilization guideline repair. (See Attached)

**4) Jeffcom agreement very close to being complete. (See Attached)
Our transition to Jeffcom dispatch center is tentatively April 01, 2018**

5) SNB has had hood design completed and approved by Randy. They still need to get suppression system design completed and approved. Before they can get permits and have it built and installed.
