

CHIEFS BOARD REPORT MAY 2017

INDIAN HILLS FIRE PROTECTION DISTRICT

May 24, 2017

1) Medic 385 was being inspected for annual license renewal and found the turbo charger was leaking oil. While assessing the leak they found engine bearing metal in the oil.

The oil is being analyzed to determine the extent of possible engine damage, so that I can determine whether we should do repairs or replacement of this unit

2) On Thursday June 8th, I am going to a SDA Regional Training at Evergreen Station 2

3) On Tuesday June 27th, I am going to a ISO training on updated requirements in Breckenridge.

4) I am now back responding on calls

5) On Sunday April 30th Asst. Chief Marc Rosenberg slipped on ice at his home while responding to a structure fire call for Evergreen Fire. He will be having surgery on Friday June 2nd and will be out of service for an extended period.

6) Marc Forgy, Deserae Frisk, and Myself have completed our EMT course at RRCC. We all still need to take our NREMT final test.

7) On Tuesday May 9th @ 19:00 Board Chair Scott Kellar, Treasurer Marc Rosenberg, Chief Emery Carson and the Mountain Chiefs held a meeting to discuss the Jeffcom User Agreement it was held at Northfork Fire Station 1,

It was to address concerns with the contracts lack of content, control over unknown expenses for their services and need for more complete performance expectations.

The next meeting will be on Tuesday May 30th @ 19:00 will be at Northfork Fire Station 1 with recommended changes to be reviewed.

The Mountain Chiefs will have a meeting with Jeffcom Board Chair Jon Greer and Brian Wilkerson for discussion of these changes at Indian Hills Station 1 on Monday June 19th @ 09:00

8) Jeffcom remodel work continues at West Metro Admin site and they are still planning to move the Evergreen dispatch over February 2017

9) We need to get bookkeepers job description completed, without it we leave the district with the lack of accountability to the taxpayers.
